NH

SAFETY BOX INSTRUCTIONS

1. To set your personal password, the door of the safety box must be open.

2. Find the push button on the back of the right side of the door and push once.

3. Once you hear the beep, dial the desired password followed by letter "A" while the door is still open.

4. Close the door and turn the lock to the left. Your safety box is now locked.

5. To open the safety box, dial the same password followed by letter "A" and turn the lock to the right.

6. If you encounter any problems, please call at the reception. Dial 100 from the guestroom phone.
